Золотая медаль и другие награды МСА

Начиная с 1961 года Международный союз выбирает архитекторов, оказавших существенное влияние на архитектурную практику во всем мире. В этом году жюри, в состав которого вошли члены Бюро МСА, объявило победителей, отобранных из 46 претендентов. Церемония награждения состоялась 6 сентября 2017 года в Сеуле (Корея) в рамках XXVI Всемирного конгресса МСА.

Золотая медаль МСА – высшая награда, которую вручают практикующим архитекторам по признанию коллег, – досталась Корри Смитс из Южной Африки.

Премию Василиса Сгутаса за применение новаторских архитектурных решений в борьбе с нищетой и бедностью отдали вьетнамскому архитектору Хаонг Тхю Хао. М. Hoang was nominated by the UIA’s Vietnamese Section.

Приз Патрика Аберкромби за градостроительство и территориальное развитие жюри в этот раз не увидело достойных кандидатов.

Премию Огюста Перре за применение современных технологий в архитектуре получил россиянин Николай Шумаков.

Николай Шумаков стал первым российским зодчим, удостоенным данной премии. Николай Иванович – заслуженный архитектор РФ, президент Союза архитекторов России, президент Союза московских архитекторов, главный архитектор ОАО «Метрогипротранс», академик Российской академии художеств, член-корреспондент Российской академии архитектуры и строительных наук, академик отделения Международной академии архитектуры в Москве (МААМ), член Архитектурного совета Москвы, член Союза архитекторов России.

7 сентября Николай Шумаков принял участие в работе Генеральной ассамблеи САА, представляя интересы Союза архитекторов и России в целом.

2017 UIA Gold Medal and Prizes:
Winners
Created in 1961, the UIA Prizes honour professionals whose qualities, talents, and actions have had an international impact on the diverse sectors of architectural practice. This year, the Secretariat received 46 nominations. The winners were presented with their medal at the Awards Ceremony on 6 September, during the 26th UIA World Congress in Seoul, Korea.

The jury has attributed the Gold Medal, the highest honour awarded to a living architect by his fellow architects, to a Japanese architect Toyo Ito, nominated by the Japan Institute of Architects.

The Jean Tschumi Prize for Architectural Criticism or Architectural Education was attributed to Professor Ashraf M Salama (Egypt), nominated by the UIA’s Egyptian Member Section.

The Robert Matthew Prize for the Improvement of the Quality of Human Settlements went to South African Carin Smuts. Ms. Smuts was nominated by the UIA’s French Section.

The Vassilis Sgoutas Prize recognizing inventive, implemented architectural solutions for reducing poverty and indigence was awarded to Vietnamese Hoang Thuc Hao. Mr. Hoang was nominated by the UIA’s Vietnamese Section.

This year, the Jury decided not to attribute a prize for the Sir Patrick Abercrombie Prize for Town-Planning or Territorial Development.

The Auguste Perret Prize for Applied Technology in Architecture went to Nikolay Shumakov (Russia), nominated by the UIA’s Russian Member Section.

Nikolay Shumakov is the first Russian architect awarded by the Prize. Nikolay Ivanovich is an honoured architect of the Russian Federation, president of the Union of Architects of Russia, president of the Union of Moscow Architects, chief architect of Metrogiprotrans OJSC, academician of the Russian Academy of Arts, corresponding member of the Russian Academy of Architecture and Construction Sciences, academician of the International Academy of Architecture.

World Day of Architecture 2017
The International Union of Architects (UIA) representing more than 1 million architects worldwide, announces the theme of the World Architecture Day 2017 “Climate Change Action!”

The threat of climate change is real. Rapid urbanization and building developments are increasing our fuel energy consumption and greenhouse gas emission.

The UIA supports every initiatives following the 2015 Paris Climate Change Agreement to combat the impact of climate change on the environment and humanity. It calls upon all architects and architecture organizations in the world to mobilize efforts to respond to these initiatives.

The UIA Members worldwide will, on 2nd October, celebrate their achievements and visions of architecture that is responsible, innovative and enriching communities.

The UIA will participate and support the events in COP 23 (Bonn 6-17 November 2017) and the World Urban Forum 9 (Kuala Lumpur 7-13 February 2018) to promote Climate Change Action!

Winners of the American Architecture Prize - Firm of the Year Award 2017 Announced
Los Angeles, United States, 2017-08-03

The American Architecture Prize (AAP) has announced the winners of its Firm of the Year Award 2017. Global interest was high for the inaugural award, with applications from over 40 countries all over the world. AAP’s jury recognized the work of over 20 visionary companies, awarding titles in the disciplines of architecture, interior design and landscape architecture.

The winners of the Firm of the Year Award 2017 were selected by AAP’s esteemed jury, comprised of 32 architecture experts and professionals. The following firms have been chosen as the main category winners in 2017 for their accomplishments and vision, and will be receiving the AAP trophy:

- Allford Hall Monaghan Morris from London, United Kingdom - Architectural Firm of The Year
- PFS Studio from Vancouver, Canada - Landscape & Urban Design Firm of the Year
- Kossmann.dejong from Amsterdam, The Netherlands - Interior Design Firm of the Year

In addition to the 3 main disciplines, 19 subcategory winners have also been selected.

Winners will be invited to the Winners Event taking place in New York City this October. They will also get extensive publicity showcasing their designs to a worldwide audience, throughout the next year.
